ABOUT US

BRIEF OVERVIEW

“Quality isn’t just a promise; it’s our tradition.”

Sristi Garments has been a trusted manufacturer and exporter of premium garments since 1983, specializing in high-quality apparel for global markets. With over four decades of expertise, we focus on innovation, craftsmanship, and sustainability. With a commitment to sustainability, we use eco-friendly fabrics such as GOTS, GRS, OEKO-TEX, BCI, and LENZING certified materials, ensuring that every piece produced meets global standards for safety and environmental care.

Beyond our focus on high-quality garments, we place a strong emphasis on the well-being of our workforce and the environment. Safety measures are implemented at every step of our production process, and we adhere to ethical manufacturing practices, ensuring that our operations contribute positively to both our community and the planet.

Over the past four decades, we have built long-lasting relationships with global clients by providing innovative designs, reliable delivery, and exceptional customer service. As we continue to expand our presence in the international market, our goal remains to create garments that combine comfort, durability, and style, while upholding our promise of sustainability and quality.
